We have revised the Ex. 5 - Deliberative Process in the preamble to the draft proposed rule on the Sharepoint site (it is the one currently titled "SAN 5872 UO FIP Draft NPR CLEAN for OMB 8-22-16," and should show up as the most recently edited document). Changes are primarily in the first 45 pages, especially in section IV.A. Please feel free to review and to suggest further changes. The legal team may be looking at it further and offering further edits; I'll keep everyone informed of major changes.
